

Odense, Denmark, 20 July 2021

To whom it concerns,

This is to certify that Ms Sotiria Georgopoulou, 1st KESY, C' Athens has acted as a Greek expert appointed by the Ministry of Education and Religious Affairs (MERA) in the Structural Reform Support Programme action in Greece 'Promoting Inclusive Education: Addressing Challenges in Legislation, Educational Policy and Practice'. The action took place from July 2019 to June 2021.

The action, run by the European Commission's Directorate-General for Structural Reform Support (DG REFORM), aimed to support the preparation and implementation of growth-enhancing administrative and structural reforms by mobilising European Union funds and technical expertise. The European Agency for Special Needs and Inclusive Education (the Agency) provided technical support for the action.

The action's main focus was to:

- clarify the mission and roles of the newly created support structures;
- strengthen the qualifications of the professionals involved;
- build strong collaboration among the support structures and mainstream schools.

The action included content analysis work related to five priority areas identified by the MERA. The analysis work was conducted in five working groups and was discussed with the Agency team of experts involved in the action.

Yours sincerely,

Mr Cor J. W. Meijer  
Director  
European Agency for Special Needs and Inclusive Education
