**To Whom It May Concern:**

**Re. Dr Leandros A Maglaras - Certificate of Postdoctoral Study**

Dr. Leandros A. Maglaras was satisfactorily engaged in postdoctoral studies in the field of cyber security of critical infrastructures (CIs) at the Department of Computer Science, at the University of Surrey, for a period of 11 months, between the dates of 07/02/2014 and 31/12/2014.

Dr. Maglaras was under the supervision of Professor Jianmin Jiang and was involved in the FP7 EU project CockpitCI. The idea behind the CockpitCI project was to create a framework that allows the community of CI owners to exchange real-time information about attacks. The project has been successfully closed.

If you require any further information, please do not hesitate to contact me.
