## PROJECTS

**22 DEC 2020 – CURRENT**

### Cool Crips - Cofounder

Community / social media account

We do disability mainstreaming and we also aim to increase visibility of disabled people, yet adding a touch of coolness, humor and (self-)sarcasm to every activity we do. As an extent of the above we aim to reduce the barriers (social and structural) that disabled people face in their daily lives but also to empower these people to love themselves more.
