Personal site: Kalovrektis.gr

Skill Highlights

- Project management
- Strong decision maker
- Complex problem solver
- Creative design
- Innovative
- Hardware development
- Teaching
- Hardware development for special education

Programming

- C++
- Python
- LabVIEW
- MatLab
- VHDL
- FPGA Programming
- Easy java simulation – EJS
- Informatics systems
- ICT
- WEB2.O

Languages

- Greek
- English

Summary

Konstantinos Kalovrektis holds a PhD in Computer Science at University of Piraeus and a second PHD in Humanities and Social Sciences at University of Thessaly, Greece. He holds **PostDoc I** at University Of Piraeus, Department of Informatics Science in topic of **Biosignal process measurements**. He holds **PostDoc II** at University Of Thessaly, Department of Informatics and Telecommunication in subject '**STEM for Girls**'. He holds MA in Education and MSc in Embedded System.

He is adjunct Lecturer (PD407) at the University of Thessaly at Department of Computer Science and Biomedical Informatics and he is **Postdoc III** in topic for **Research of electrophysiological phenomena with advanced measurement systems in production and education processes** He is author and co-athor in more than 60 papers in international journal and conferences. Some of papers includes; *Measurements Systems, ECG and ZigBee sensors , EMG and ZigBee sensors, Physical Computing, Sensors, Data Acquisition, Data Analysis, Wireless Sensors Networks and IoT STEM education*. He is author and co-athor in more than 18 academic books. He is a reviewer in many international scientific journals and has participated in many international conferences as a member of the Scientific Committee. He is evaluator and certifier in General Secretariat for Research and Technology. He was evaluator and certifier in project (Project beneficiary NTUA) TOISE: Trusted Computing for European Embedded Systems - ENIAC Framework. The aims of project was to define, develop and verify hardware and software security mechanisms that can be used in small autonomously integrated systems but also as parts of larger systems. He was evaluator and certifier in project 'Agile RF Transceivers and Front-Ends for Future Smart Multi-Standard Communications Applications /ARTEMOS' (Project beneficiary, Foundation for Research and Technology - Hellas (FORTH). He is was Mentor by Open Technologies Alliance (GFOSS) in Google Summer of Code (GSoC) and Coordinator in committee for STEAM by GFOSS.

He is member editor on International Journals and Conference proceedings. His research interests include; Electrophysiology, data acquisition systems for medical applications, WNS, IoT application and protocols, Learning machines, ICT in education, STEAM education; development hardware/ software IoT (Internet of Thinks) for STEAM, Embedded systems; real time measurement systems; control systems; FPGA; Sensors; education robotic; Robotic; Remote labs; Pedagogical curriculum development and instruction.

Academic Position

- Adjunct Lecturer (PD407) at the University of Thessaly at Computer Science and Telecommunications
- Director of Pedagogic and Technological Education School (ASPAITE) of department in Livadia

Education

1. **Phd (II)**, An open hardware mechanism for remote implementation of laboratory activities in Science, STEAM and Educational Robotics educational environments: development, usability and technological acceptance by educators, University of Thessaly, School Of Humanities And Social Sciences- Department Of Primary Education,
2. **Phd (I)**, 'Advanced Measurement and Informatics Systems', University of Piraeus, Department Informatics, Greece.
3. **Postdoc (III)**, 'Research of electrophysiological phenomena with advanced measurement systems in production and education processes' Department Informatics and Communication, University of Thessaly, Greece.
4. **Postdoc (II)**, 'STEAM for Girls' Department Informatics and Communication, University of Thessaly, Greece
5. **Postdoc (I)**, 'Measurements Systems, Biosignals' Department Informatics, University of Piraeus, Greece.
6. **Master of Arts** 'Studies in education- Lifelong learning', Open University of Cyprus.
7. **Master of Science** 'Advance Informatics Systems', Department Informatics, University of Piraeus, Greece
6. **Bachelor Degree** in Pedagogical, 'Technological Educational ', Pedagogic and Technological Education School)
7. **Bachelor Degree** 'Electronic Engineer', Greece.

Member of Research team

<http://seri.cs.uth.gr/>

Certifications

1. National Accreditation Centre for Continuing Vocational Training (EKEPIS) N. Registration: 401169 (Informatics–Electronics)
2. Continuing Vocational Training (LAEK) N. Registration: 28638 (Informatics)
3. Hellenic Science of Informatics (EPY) Registration: 4434
4. Member of TTnet (Training of Trainers network)
5. Member of Hellenic Astronomical Association

Main Research Interests

Electrophysiology, Embedded systems, real time measurement systems, control systems, FPGA, Sensors, IOT, education robotic, STEAM, ICT, Robotic, Remote labs, Pedagogical curriculum development and instruction.

Teaching

Courses under Bachelor Degree

1. University of Thessaly at Department of Computer Science and Telecommunications
2. University of Thessaly at Department of Computer Science and Biomedical Informatics

3. Pedagogic and Technological Education School (ASPAITE)
4. Technological Institute of Thessaly, Department of Informatics and Telecommunications
5. Technological Institute of Central Greece, Department Electronic

Courses under Master Degree

1. MSc. in ICT (University of Thessaly at Department of Informatics and Telecommunications)
2. MSc. in STEM (Pedagogic and Technological Education School (ASPAITE))
3. MSc. in IOT (Technological Institute of Thessaly, department informatics)

e-learning Courses

1. University of Thessaly at Department of Informatics and Telecommunications
2. University of Piraeus at Department of Informatics

Honors and Awards

1. MIE Fellow MICROSOFT
2. MIE Expert MICROSOFT TEACHER

Certifications ICT

1. CERTIFICATION LEVEL A - Greek Ministry of Education and Religious Affairs
2. CERTIFICATION LEVEL B - Greek Ministry of Education and Religious Affairs
3. CERTIFICATION Trainer of Greek Ministry of Education and Religious Affairs

Curriculum and Distance Learning Educational Programs

Design curriculum and educational courses of the following distance learning programs of the University of Piraeus.

Session: Management, Teaching, ICT and Research for Educational Units with Informatics

Course	Language	Duration
1. Management and Organization of Educational Units with Information Systems		10 weeks
2. Teaching with Modern Information and Communication Technologies (ICT)		10 weeks
3. Research Methodology in Education with SPSS		10 weeks

Session: Measurements and Application Control with Computer Systems, Arduino and LabVIEW

Course	Language	Duration
1. LabVIEW - Application planning and development		10 weeks
2. Development of integrated applications with Arduino		10 weeks

CHAIR on International Conference (only highlights)

1. 1st International Conference on Intelligent Control, Modelling and Systems Engineering (ICMS '13) Valencia, Spain, August 6-8, 2013.

Consultant

1. MIE Fellow MICROSOFT, Microsoft IT Consultant and Trainer in IT Promotion

RESEARCH PROJECT

1. "Combustion Modeling" University of Patras (FP), Department of Mechanical Engineering and Aeronautics, Fluid Mechanics & Aerodynamics Laboratory, 2003-04
2. "Particle Image Velocimetry - PIV" University of Thessaly (DE), Department of Mechanical Engineering, Laboratory of Fluid Mechanics & Turbine Engineers, 1998-2002

Participation in National Research Programs

1. "Tribological Behavior of Advanced Metallic Materials after Thermal and Surface Modification or Coating Processes" TEI PIRAEUS, Department: Engineering, 2005-06, Archimedes II
2. "Environmental Parameters for Optoelectronic Sensors and Wireless Networks" TEI PIRAEUS, Department: Electronics, 2005-06 TEE PIRAEUS, Department: Engineering, 2005-06, Archimedes II
3. "Control of irrigation of hydroponic crops through a continuous flow measurement system." University of Thessaly (US), Department of Agriculture, Laboratory of Agricultural Constructions

- and Environmental Control, 2006
 4. "Undergraduate Curriculum Reform - TEI PIRAEUS, Department of Electronics, 2008, EPEAEK

Participation in Transnational Research Programs

- "Software development for calculating greenhouse crop water needs in Mediterranean conditions"
 University of Thessaly (US), Department of Agriculture, Laboratory of Agricultural Constructions and Environmental Control, 2007

Evaluator - Certifier

- Program Evaluator of Priority Axis 1 under Call 164 for the category of actions "Actions for culture in education" co-financed by the European Social Fund through OP. "Education and Lifelong Learning"
- Project Evaluator / Certification of the Natural Object of the Action "European S&T Cooperation - Greek Entities Grant Act in the context of the 3rd Announcement of the European Joint Initiatives ARTEMIS / Advanced Research and Technology for Embedded Intelligence and Systems »
 - Project ARTEMOS / ENIAC FORTH Contractor
 - Project TOISE / ENIAC Contractor EAB SA
 - Project TOISE / ENIAC Contractor also.
